Report on Guest lecture by Prof. M. B. Deshmukh

16th November, 2018

Theme: “Agrochemicals” from paper code CHS 607

Lecture Details:

The department of chemistry have organized the guest lecture of Prof. M. B. Deshmukh (Expert in agrochemicals) from Shivaji University Kolhapur. The lecture was useful for MSc Chemistry II year student for the paper code CHS 607. On this day Prof. Deshmukh has been taken six lecture each of 1 hour in two half. He has used both power point presentation and black board to explain the concepts.

In morning session he has taken the pheromone technology in pest control system. The afternoon section was dedicated to fungicides and herbicides.

Outcome: The lectures was very informative and inspirational to students. It was nice preparation for paper CHS 607 for course MSc chemistry. After the talk all students interacted with Prof. Dehsmukh sir and solved their queries related to agrochemicals as well as drug molecules.

Felicitation of guest: At the end of program Dr. S. N. Chavan have felicitated the guest Prof. Deshmukh with remuneration.

Felicitation of Prof. M. B. Deshmukh by Dr. S. N. Chavan
