Inauguration Function:

The program was coordinated by Dr. Ashwini Kulkarni, Assistant professor, Department of Mathematics.

The programme started with inaugural function graced by Dr. V. A. Dr. Raikar(VC, SGU), Dr. M.T. Telsang (Dean Academic, SGU), Prof. L. N. Katkar, Dr. A.D. Sawant(Dean, School of Science), Mr. S.S. Salgare(Head, Department of Mathematics). The programme started with welcome address by Mr. S.S. Salgare, Head, Department of Mathematics, SGU followed by facilitation of Hon'ble dignitaries, teachers from different colleges.. Mr. S.S. Salgare in his speech gave detail schedule of the workshop and announce that every participant will get the hands on experience to all students in the whole session. Also, he explained about a response to this workshop. More than 151 students had shown interest in this workshop. So we decided to take two parallel sessions for these students. Dr. A.D. Sawant in his speech briefly gave information about school of science of SGU. Prof. L. N. Katkar in his talk mentioned the various mathematical software and need to study Scilab software. Dr. M.T. Telsang (Dean Academic, SGU) briefly gave the information about SGU and overall Continuous Assessment system for student. Dr. V. A. Dr. Raikar, VC, SGU was happy to see such a huge response from various B.Sc. colleges and gave compliment to the organizer. Further he emphasizes how students, researchers and teachers can use the internet to increase knowledge of mathematics and get the information about various mathematical software for regular study. The speaker also pointed out importance of mathematics in the filed of technology. The inaugural function was ended with vote of Thanks by Dr. Ashwini Kulkarni, Assistant professor, Department of Mathematics, SGU.

Empowering Lives Globally !

About the University

The Sanjay Ghodawat University (SGU) was established in the Academic Year 2017-18. It has been established as a State Private University under Govt. of Maharashtra Act No. XL of 2017 dated 3rd May 2017, with the approval of the state Government.

Spread across 165 Acres, Sou. Sushila Danchand Ghodawat Charitable Trust's Sanjay Ghodawat University (SGU) is situated in serene atmosphere amidst idyllic hills and lush green meadows to study in harmony with Nature.

The Sanjay Ghodawat University stands as a beacon of light to guide the younger generation of the day on the right path to fulfillment in career and life. The USP of the University is its research based curriculum and academically oriented teaching staff. The world class ambience and infrastructure help the students to easily accommodate themselves in an environment that is conducive to the teaching- learning process. Hands on experience, challenge based case studies, maximum participation of students in the classroom, use of modern digital technology, smart classrooms, solution oriented thinking promotion, stress on research and innovation, international tie ups, choice based credit system for flexibility in choosing areas of interest etc. are some of the features of the University.

About Department

The department of Mathematics is rich in academics. We have 12 highly qualified and well experienced faculty members. Department has computer lab with 20 computers and internet connections, where student can develop their programming skill by using various software viz., Scilab, Origin, Sage, R, Python, WxMaxima, C/C++, LaTeX, GAP etc. The department of Mathematics aims to educate students who are oriented towards research and teaching in both fundamental and advanced areas of Mathematical Sciences.

About Scilab

Scilab is free and open source software for numerical computation providing a powerful computing environment for engineering and scientific applications. Scilab is released as

open source under the CeCILL license (GPL compatible), and is available for download free of charge. It has all the convenience that the original Fortran of Matlab had. It also uses the state of the art computational libraries LINPACK, EISPACK, etc. It is used by the academia and the industry, an example of the later being CNES, the French aerospace corporation.

Scilab comes with a graphical programming interface Xcos, which is somewhat similar to Simulink, a product developed by Mathworks for use with Matlab. In contrast, Octave, the other open source alternative to Matlab, does not have an equivalent of Simulink.

Workshop Objectives

- To spread awareness about Scilab software.
- To spread awareness of applications of Scilab for mathematical subjects.
- To promote open source software in the field of education.
- To Enhance Computational Skills of the Students.

Expected Outcomes

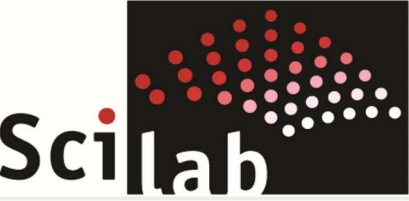

- To create interest about scilab among students
- To inspire students to use scilab software in mathematics

Registration Fees

- Rs. 200/- Per head
- The workshop is for 50 participants only.

Venue & Time

- Faculty of Management Building, Computer Center, Ground Floor
- Reporting Time: 9.30 am.

Suggestions and comments given by students –

- Give more time to sessions
- Workshop was nice. Overall workshop is best and we learn from it more.
- One day workshop is really helpful for me.
- Workshop is very nice.
- It is our great pleasure that we attended such state level workshop, so are requesting you to organize such extra workshop for us with more extra ordinary details.
- Thank you for organizing such type of workshop because our knowledge is increased.
- Overall event is best. No any suggestion.
- I wish to study here.
- Event was too good. But we want more information and sessions related to scilab. SGU campus is awesome.
- It was very grateful moment for us. I like this workshop.
- Arrange this type of workshop again.
- No more suggestions.
- One day time is not sufficient to study Scilab.
- Arrange more workshops related to Mathematics such as Vedic Mathematics.

3. Permission Letter from Karmaveer Hire Arts Science Commerce & Education College, Gargoti

Date: 28.01.2019

To,
The Registrar,
Sanjay Ghodawat University,
Atigre.

Subject: Regarding permission to visit Department of Mathematics of SGU.

Respected Sir,

The "Sanjay Ghodawat University, Atigre" is one of the leading and renowned institutions in Maharashtra. As a part of the curriculum, the students are required to undertake Institutional visit. We feel it will be fruitful that the students with academic background have a glimpse of the institution in order to have the knowledge of upcoming opportunities and awareness of outer competitive world.

In the above background, we would like to send a batch of 23 students of Mathematics Department of B. Sc. III accompanied by 1 staff members to visit your esteemed organization preferably on 29/01/2019 .

I request you, to kindly accord the necessary permission for the above visit and arrange for guiding the students. We assure you that our students will observe the rules and regulations and will not disturb the functioning of the institute during the visit.

We shall be grateful for a favourable response.

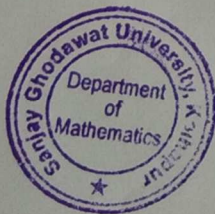

Thanking You,

Yours faithfully

Batij
