Two Days Workshop on "Patent it yourself - from filing to grant"

On 24th & 25th August 2018

THEME

Intellectual Property Rights (IPRs) is concerned with the protection of tangible and intangible property. It provides rewards and recognition to inventors/contributors for their research, designs, discoveries, inventions, etc. IPR protection plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy.

AIM

The main aim of workshop is to impart greater awareness about the issue of Intellectual Property Right (IPR), which has gained a special importance for all the domains of socio-economic development. It aids in understanding of patentability criteria in details & viable aspects of the patent.

WORKSHOP HIGHLIGHTS

- ◆ What is a patent and who can apply for it?
- ◆ Types of Patent
- ◆ How to do prior art search without software tool?
- ◆ How to identify the problem defined is unique and non-obvious?
- ◆ Which all websites are supportive for patent search?
- ◆ Patent Fees - Individual and Organization
- ◆ How to Draft the Specification and Initial Drawings on my own?
- ◆ How to file the patent?
- ◆ How to answer the query raised by authority of IPR office?

Who can participate?

- ◆ Faculty members
- ◆ UG, PG students & Research Scholars
